

Addiction Treatment Starts Here: Learning Network

Quarterly Webinar #1 - Stimulant Use Disorders

Tuesday, July 27, 2021: 12:00 pm – 1:30 pm

Participant Objectives

By the end of this session, participants will have:

- Understood the prevalence, definitions and identification of stimulant use disorders (StUD);
- Learned about behavioral approaches most effective for StUD, e.g., contingency management;
- Learned about the current evidence for medications for stimulant use; and
- Discussed how to engage their MAT clinical team in caring for patients with StUD.

ATSH Staff

- Meaghan Copeland, *CCI Program Manager*
- Kristene Cristobal, *Program Consultant*
- Juan Carlos Piña, *CCI Program Manager*
- Juliane Tomlin, *CCI Senior Program Manager*
- Lydia Zemmali, *CCI Program Coordinator*

Panelists

- Katie Bell, MSN RN-BC CARN PHN
- Danny Contreras, SUDCC III-CS, Santa Cruz County Health Services Agency
- Joe Sepulveda, MD, FAPA, FASAM, Family Health Centers of San Diego

Logistical instructions: [Register](#) and use custom link to join the meeting. At the start of the session, once you've logged into Zoom:

- **Audio/visual connection:** make sure you are logged in on both audio and visual. If you are calling in by phone, enter your participant ID (your ID is displayed at the top of your zoom screen). Do this by pressing #number# on your phone (ex: #24#)
 - **Re-name yourself:** please rename yourself so we know what organization you're from (ex: Lydia (CCI)). Hover over your name in the participant list and click "Rename."
 - **Turn on your video!:** if you have video capability, we'd love to see you.
-

ATSH Learning Network Quarterly Webinar #1 – Agenda: July 27, 2021

- 12:00 pm – 12:10 pm** **Welcome, Grounding Exercise, & Introductions**
Meaghan Copeland
- Re-introduce CCI team and ATSH Learning Network cohort. ATSH teams share recent MAT wins.
-
- 12:10 pm – 12:55 pm** **Panel Discussion: Stimulant Use Disorders**
Panelists: Katie Bell, Danny Contreras, Joe Sepulveda
Moderated by Kristene Cristobal
- Katie Bell will share background and key information about the state of stimulant use disorders and common treatment modalities. Panelists will address their experiences with caring for patients with stimulant use disorders (StUD) and how this is the same or different from caring for patients with OUD. Other topics will include identification of patients, rolling out a contingency management program and other useful approaches to caring for patients with StUD.
-
- 12:55 pm – 1:20 pm** **Breakouts: Reflecting and Sharing Your Experiences**
- Participants will be randomly assigned to breakout rooms with one of the panelist speakers. During this time, participants will be asked to share their reflections on what they heard during the panel session, as well as challenges with treating patients with stimulant use disorders and ideas to test back at their clinic.
-
- 1:20 pm – 1:25 pm** **Future Webinar Topics**
Juan Carlos Piña
- ATSH teams are invited to provide input on topics for future webinars.
-
- 1:25 pm – 1:30 pm** **Next Steps and Closing**
Lydia Zemmali
- Hear about upcoming dates and deliverables. Complete survey poll.
