SUD Services Roadmap

1. VFC founded
2. Behavioral health services offered
3. SUMMIT study
4. Acquisition of CG
5. HRSA MAT
6. DHCS HSS
7. SAMHSA
8. Shared medical visits
9. Extended hours for SEP
10. VFC pharmacy carries bupe on site

1970's - 2012-2018

~800 unique patients served in 2018
Your Turn!

• What does your MAT team look like?
• How many patients are you currently servicing?
• Where do you want your program to be in 2 years?
Scaling & Improving Access to SUD Services

- Screening
- Quality Improvement, Data Quality, & Population Health
- Shared Medical Visits
- Organizational Culture
- 42 CFR Part 2
- Multiple points of access
Chill with Gil
Discussion Point 1: Inductions & Treatment

What is your conversation with patients around inductions and withdrawal management?

How do you choose between mono and combination tablets?

What’s your/the clinics process in monitoring pts with comorbidities and/or on benzo’s?
Discussion Point 2: Diversion

What's the conversation with patients who continue to say, “I lost my prescription”?

Do you have any experience with DEA audits?
Discussion Point 3: Supportive Services

What do your shared medical visits and support groups look like?

What is the structure of your interdisciplinary team?
