Visioning Exercise
Program Goal

Strengthen six multi-sector partnerships that prevent domestic violence and promote health and well-being for young people and their caregivers.

Community Partnerships: Deepen understanding of internal organization, partners and community to uncover strengths and opportunities for collaboration

Youth & Caregiver Power: Center community members with lived experiences and build their power in designing solutions for themselves

Prevention & Promotion of Protective Factors: Test community solutions that can help prevent and mitigate the harm from domestic violence and ACEs

Sustainability: Build systems for sustaining collaborative relationships and efforts
