Medication Assisted Treatment Program:
COVID-19 Protocol

*PROTOCOL IS DUE TO CHANGE, PLEASE ANSWER YOUR PHONE AND KEEP IN CONTACT WITH US*

The safety and health of our clients is our TOP priority. Our goal is to practice social distancing and limit person-to-person contact. Below, you will see the new structure of MAT

CLINIC RULES/PROTOCOLS:

- If you do not live together, you must remain 6 feet away from each other
- If you are feeling any flu-like symptoms please STAY AT HOME or seek medical advice right away
  - Contact MAT staff and let them know ASAP
- Refer to the back of the page for more education/resources about COVID-19

Share FACTS, NOT fear... your simple guide to COVID-19

Prevent the spread of COVID-19 in 7 STEPS

01 Wash your hands frequently
02 Avoid touching your eyes, nose and mouth
03 Cover your cough using the bend of your elbow or a tissue
04 Avoid crowded places and close contact with anyone that has fever or cough
05 Stay at home if you feel unwell
06 If you have a fever, cough and difficulty breathing, seek medical care early — but call first
07 Get information from trusted sources

WHAT IS COVID-19?

COVID-19 is the infectious disease caused by the most recently discovered coronavirus. This new virus and disease were unknown before the outbreak began in Wuhan, China, in December 2019.

WHAT SHOULD I DO?

People with fever, cough and difficulty breathing should seek medical attention.

WHAT ARE COVID-19 SYMPTOMS?

Some people become infected but don’t develop any symptoms and don't feel unwell.

WHO'S AT RISK

Older people, and those with underlying medical problems like high blood pressure, heart problems or diabetes, are more likely to develop serious illness.
