

MARA International

**MEDICATION-ASSISTED RECOVERY ANONYMOUS**

## **One Size Does Not Fit All**

Do you use medication, such as Methadone, Naltrexone, Suboxone, Buprenorphine, Antabuse, Acamprosate, Paxil, Remeron, Bupropion, Gabapentin, Baclofen, Topiramate, Topamax, that is prescribed and approved by the medical community to treat various drug and alcohol use disorders?

Many addicts and alcoholics that are utilizing evidence-based science to aid in their recovery sometimes feel unwelcome. Here at Medication-Assisted Recovery Anonymous (aka MARA), you're always welcome!

**RECOVERY IS SIMPLY TO RECOVER FROM AN UNSAFE LIFESTYLE!**

*“Medication-Assisted Recovery Anonymous is a support group of people who believe in the value of medication as a means to recovery. We understand that our individual needs may not be the same; our backgrounds may not be the same; our futures may not be the same. However, our desire to live a safe lifestyle joins us together. Non-judgement is our code.”*
