- Group facilitated by case manager & program director
- Weekly check-in with doctor

# Patient Engagement (cont'd)

- Transition into Maintenance Group
- Meetings are less frequent (once or twice a month)
- Meet with doctor monthly for check-in and refills

# Q&A and Discussion Questions

List 2 questions or challenges you want to discuss after your presentation with folks in the room (to promote cross sharing with peers).

1. What referral process has worked best for your clinic?
2. How many clinics are using ACEs upon initial screening with patients?
