Tuesday, May 21, 2019, ½ day optional shadowing
Albert Einstein College of Medicine
Michael F. Price Center
1301 Morris Park Avenue, 4th Floor, Rm 451
Bronx, NY 10461

Sponsored by:
Pediatric Behavioral Health Services
Montefiore Medical Group

PROGRAM DESCRIPTION

Learn about our model of Integrated Pediatric Behavioral Health Services, including HealthySteps® for children birth through age 5, and our evidence-informed, short-term, modularized treatment protocols for school age and adolescent:

- Anxiety
 - ADHD
 - Trauma
 - Depression
 - Conduct Problems
- ✓ One full day of training, including electronic and hard copies of training manuals
 - ✓ Optional ½ day shadowing of pediatric BHIP clinicians available, additional cost
 - ✓ Optional ongoing training/technical assistance (6 months of 30 min calls/mo.), additional cost

MONTEFIORE MEDICAL GROUP BHIP OVERVIEW

As the largest integrated pediatric behavioral health service in the nation, and one of the very few to offer pediatric lifespan interventions, we invite you to join us. Hear from our experts on:

- Short-term, evidence-informed modularized treatment
- Prenatal identification of families at risk using ACEs (Adverse Childhood Experiences) Screening
- How to ensure secure attachments and healthy brain development in infants and toddlers
- How to treat parental mental health concerns, within pediatrics
- The important role of Motivational Interviewing in integrated behavioral health
- Billing and Financing Strategies
- Electronic Health Record Integration
- Leadership and provider perspectives
