

Resilient Beginnings Network: Virtual Learning Session

Centering Dignity in Trauma and Resilience Informed Pediatric Care

Thursday, March 4, 2021: 12:00 pm – 2:00 pm

Pre-work

There is no pre-work for this session.

Session Overview

In this session, participants will explore the Dignity Framework, the differences between equity and dignity, and ways to utilize this framework to impact their pediatric care delivery models. Through a guided reflection, small group discussion, and interactive activities, participants will gain an understanding of the Dignity Framework and strategies to integrate dignity practices into their own work with children and families.

We highly recommend joining by audio and video, if possible, as this will be an interactive session.
