

Resilient Beginnings Network: Virtual Learning Session 5

Thursday, September 9, 2021: 12:00 pm – 2:00 pm

Session Overview

We are excited to bring together the teams in the Resilient Beginnings Network for our 5th VLS. The goal of this session is to continue to build relationships within the network by reflecting on your RBN work, including how you have integrated the content from past virtual learning sessions into your efforts. During this session, you will also be introduced to tools and resources to create an effective team pitch, which you will present at the November 4th Showcase Session.

All RBN program participants are expected to join this call. We highly recommend joining by audio and video, if possible, as this will be an interactive session.
