

ROOTS In-Person Session 1

Thursday, October 5, 2017 from 9:00am—4:30pm

Temescal Beach House, 6500 Broadway, Oakland, CA 94618

Learning Objectives:	Pre-work: Create a 5-7 minute presentation, making sure to address the following questions:
<ol style="list-style-type: none"> 1. Understand the goals and expectations of the ROOTS program and learning community. 2. Understand your colleagues' project goals and key components, challenges, and questions, and where you may be able to learn from them. 3. Receive feedback from your peers and faculty about your own project. 4. Clarify and validate how your data and end-user input led you to your proposed project and the population you will be working with. 5. Co-design with CCI staff the content and support you need to succeed in the ROOTS program. 	<ul style="list-style-type: none"> • What are you most passionate about what your team will be working on in the ROOTS program? • Describe your project's key components, including: What are the goals? What social determinant or social need are you focused on? Who is your target population and why did you select this population? What key partners do you plan to engage? • What do you need to succeed with your project? • What is one obstacle you anticipate encountering? • What is one question you have for your peers or faculty?

9:00am – 9:30	Breakfast & Registration
9:30 – 10:10	Welcome, Overview of the Day, & Introductions CCI and faculty will provide an overview of the day, review the goals and expectations of the ROOTS program, and facilitate an icebreaker.
