■ Moment to Arrive

I Past Conversations Recap

- Community Conversation Part 1

- Teams shared challenges and lessons learned
- Partnerships take TIME, EFFORT, INTENTIONALITY
- Be thoughtful about building your partnerships, *“When you have good food, you can get people to talk about pretty much anything.”*

- Community Conversation Part 2

- Teams shared a challenge, observation, learning that we discussed at the first session
- Teams participated in a fishbowl activity to share their challenges and learnings.
