Presentation Narrative

Use this narrative structure to present your project and gain support

team/project

1. Describe the desired future your project seeks to create

2. Articulate why it isn't currently possible

3. Share what you learned in studying the problem

4. Now describe 3 to 4 parts of the solution and positive feedback from testing it

5. Share the benefits and value that would be created as a result

6. Now, explain the negative impacts of not pursuing the solution

7. Finally, ask for the audience's support with a specific way they can help
